THE ADULT ROLE AT RAINBOW

The **ADULT ROLE** at Rainbow is very important. As adults, we are at the conference to share with our youth the experience of celebrating the gift of our Faith. We are their guides, their supporters, their encouragers, as well as, their chaperons. We have a responsibility to them, as well as, to ourselves, to ensure that the Rainbow experience is one of learning, growth and celebration. In order for Rainbow to run smoothly, each Church/School/Organization will be assigned two work shifts during the weekend by the Adult Committee. However, please note that the number of work shifts per church/school/organization may vary based on the size of the parish. Each parish will also be responsible for one night watch shift. Your Adult-in-Charge will pass this information on to you.

*Please join in with your youth and participate in the CYO Rainbow Conference.**Come prepared to learn, grow and to celebrate!***Cost Reflects Chaperons/Adults, YMIT's, and Youth**
